Early Years Education Group

New Dubai Nursery ELC

Glimpses of our Activities

Age Group : 4-6 Years

Personal, Social and Emotional Developmental Activities

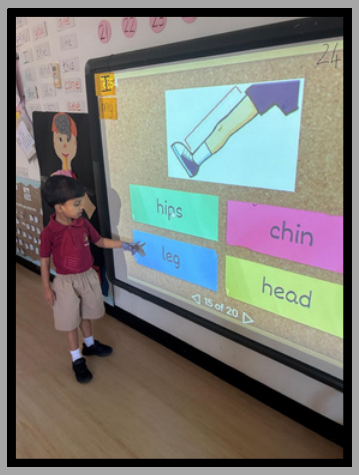

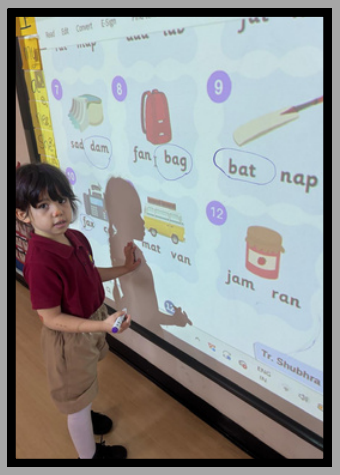

We are building confidence, cooperation, emotional awareness and positive social skills through hands-on role play and group activities.

Communication and Language Developmental Activities

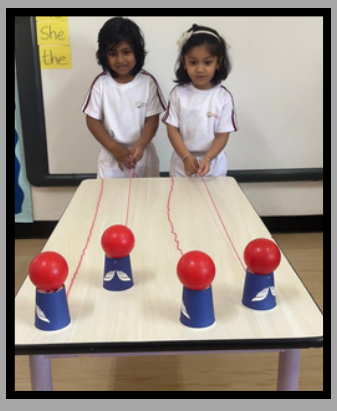

We are engaging in interactive activities and picture-based tasks to build vocabulary, express ideas confidently and strengthen communication skills.

Physical Development Activities

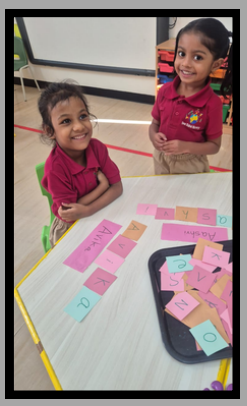

We are building strength, balance, coordination and confidence through movement activities, exercises and active play.

Literacy Activities

We are practising our literacy skills by reading and writing simple words during engaging table activities.

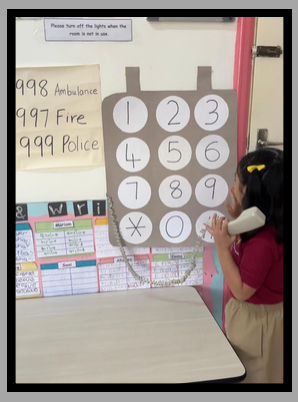

Numeracy Activities

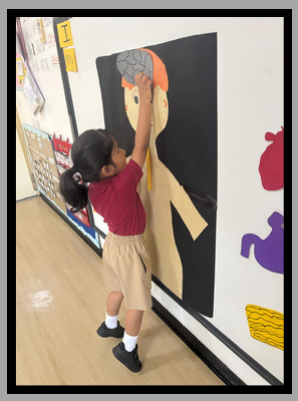

We are developing our numeracy skills by counting, matching numbers and working with quantities through hands-on games.

Understanding of the World Activities

We are exploring the world around us through activities like role play, simple experiments and using real objects to observe and talk about their features.

Art and Craft Activities

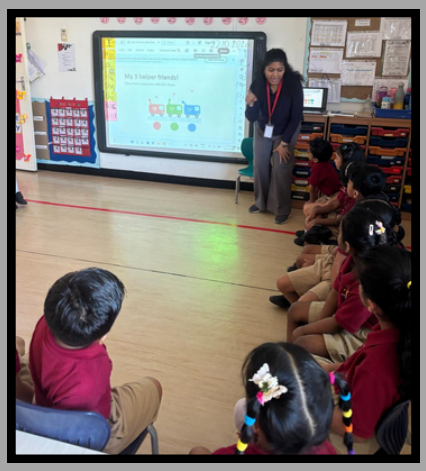

We are expressing our creativity in art and craft by cutting, sticking and arranging different materials to make our own colourful creations.

Special Activities

Parent Involvement Program

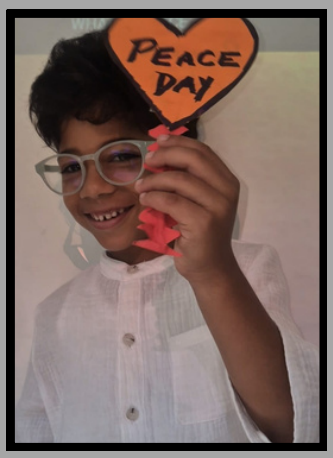

International Day of Peace

Space Day

Rhymeland Sporting Fun Sports Day
