Communication

At New Dubai Nursery Early Learning Centre, we have an open-door policy where parents are always welcome to share their feedback and views. Staff may not be available for comprehensive discussion during operational hours when our primary concern is the children. Yet we will always strive to listen to your comments, queries and concerns.

We always welcome all forms of **communication** via **emails, WhatsApp or phone calls**. We welcome feedback and suggestions from parents which will help us better ourselves.

Parent Teacher Meetings are organized at the end of each term.

Thematic and Curriculum Overview is sent at the beginning of the year and the **Monthly Plan & Important Dates** is sent out every month to update you on the curriculum plan for the month. You can also find us on **Instagram and Facebook**.

The **Parent App** is active and designed to enhance communication between parents and our team. **Daily updates, Photos & Videos, Event Reminders, Message and Chat features, access to educational resources and essential documents** will be available on this app. Share your **feedback and suggestions** effortlessly through this App. Your input is **valuable to us**, and we are **dedicated to continuously improving our services based on your insights**.

Important information before every event is notified through **electronic mail and WhatsApp**.

Valid email addresses of both parents are requested at the time of admission. If there has been a change in email address, the same can be notified to the Registrar via email.

In case of any urgent feedback and concerns parents can contact their child's teacher between 12:30 pm. and 2:00 pm. Monday to Friday.

Student Portfolio/Books

This is a file containing observations and children's worksheets to record the learning process. A developmental report will be made for every student at the end of each term. The child's creative work will be maintained in a learning journal. **Workbooks** have been introduced for Literacy and Math which will be sent home at the **end of the month**. The **student portfolio** will be sent at the **end of every alternate month**, to keep you updated about your child's progress.

Assessments

Assessments are conducted at regular intervals to ascertain the child's learning milestones. Final Assessment records are furnished at the end of the academic year. **A minimum of two terms should be completed at the ELC to receive a Final Assessment Record at the end of the term ending June.**

Transfer Certificate

The Transfer Certificate will be issued by **KHDA** when the child leaves the nursery, provided all dues have been cleared.

Learning Journeys

Field Trips are scheduled to enrich the child's learning. Field trips will be planned to parks, museums, fruit and vegetable markets to give children a hands-on experience parallel to the classroom learning.

Visits to the Sustainable Knowledge room will also give our children knowledge on a wide range of subjects. When a circular for the field trip is received from the Center, it is important that the **consent forms are signed** and returned without which your child **will not be taken** for the field trip. **No phone calls will be made regarding the same.**

First Aid and Medical Policies

Illness

- Children should not attend the ELC if they are suspected of having symptoms of, or diagnosed with a reportable infectious, contagious, communicable disease for which isolation is required.
- Children receiving a course of antibiotics, or any other medication must remain away from the Centre for at least 48 hours after beginning the medication.
- Upon arrival at the ELC, all children will be screened by our Centre Nurse daily. Staff will look out for obvious signs of illness, injuries, abrasions, rashes etc. The nurse will contact parents with a medical notification if required and will advise accordingly.

In all the following cases children will not be allowed to attend the ELC. Equally, if any of the following symptoms are present during the course of your child's day with us, parents will be contacted and asked to collect their child from the Centre immediately.

- Two consecutive loose motions or vomiting
- Symptoms of any suspected infections/communicable disease
- Any unexplained rash
- A temperature higher than 37.5 degrees centigrade

In the instance of the above symptoms presenting, the child concerned shall be isolated from the other children in the clinic, under the direct supervision of the Centre nurse. The parent/guardian shall be asked to collect the child as soon as possible.

Parents will be required to produce a medical clearance from their pediatrician upon the return of the child to the Centre:

- When a child acquired a contagious/communicable disease
- Child had a fever for more than 2 days.
- Child is having greenish nasal discharge along with cold and cough.

Medication

Parental Consent

All medications will only be administered to the child with prior written parental consent and a doctor's prescription; this can also be communicated via an email to the ELC email id. Medication will be administered if it is in the original container and clearly marked with the child's name.

Procedures

Medication shall be in the following manner to protect the safety of the child.

- Only the nurse/pediatric first aider are designated to administer and properly document the dispensation of the medicine each day.
- Prescription medicine shall be administered as required by the physician with the appropriate consent form completed by the parent and on file.
- Over the counter medications may be dispensed in accordance with the manufacturer's instructions when provided by the parent with written permission.
- When a child no longer needs to receive the medication, the unused portion of the empty bottle shall be returned to the parent.

Medication given prior to arriving at the ELC.

Parents should inform the Centre nurse or the teacher if medication has been administered to their child prior to arriving at the Centre and must also send an email with details of the medication administered with timings. This is to ensure that the child is not overdosed in case of emergencies.

Injuries and Incidents

If your child has an injury at the Centre or is involved in an incident during the day, we will always attempt to speak with the parent in person. A prompt action will be initiated in the interest of the child. An injury form will be filed and a hard copy or an email will be sent to the parents by the nurse/first aider which will have to be signed and returned to the ELC.

Important Procedures

KHDA Contract Requirements

All relevant documents pertaining to the child and the parent like the

- Emirates ID
- Passport copy with valid visa
- Birth Certificate
- Vaccination record

must be scanned and sent via email to the Centre to be uploaded onto the KHDA website portal.

Any changes in documentation must be communicated to the Centre and the updated copies are to be submitted immediately.

Tuition Fees and Payments

Making Payment

- Registration Fee (AED 500/-) is non-refundable.
- All payments are either made by bank transfer, credit card, cheque or cash.
- Value Added Tax (VAT) will be charged at a basic rate of 5% on goods and services outside the scope of educational services.
- All tuition fees must be paid before the **5th of each month.**
- Cheques are to be issued in the name of **New Dubai Nursery.**
- Additional fees for extracurricular classes must be paid before the first trial class.

- Please provide a current dated "Account Payee" cheque and clearly indicate the child's name and admission number on the back of the cheque.
- Payment by cheque is subject to realization.
- Cash Payments can be made **only** at the Centre office.
- Provisions for rendering Post Dated Cheque (PDC) can be availed on a one-to-one basis after approval from the Centre Head/Registrar.
- The **Invoice** and **Receipt** will be sent to you by mail.

Late Payments

Late payment of fees may result in the student being excluded from the programme for certain periods of time.

In the case of a bounced cheque applicable bank charges will have to be borne by the parent.

Leave Rules

Absences and Holidays

If your child is going to be away from the Centre or has been absent, it is important that you notify the Registrar/Secretary and your child's Teacher. You should provide the following information in a letter or an email:

- Child's full name and class
- The date(s) your child will be away or has been absent.
- The reason of your child's absence
- Any other important information
- Please **notify the office by email** if the child is on leave or discontinuing from the nursery.

Tuition Fees have to be paid for the entire period of absence to retain the child's name on the ELC record.

Uniform (Kidswear)

A Kidswear kit which consists of three sets of uniform, a bag and a jacket are handed over at the time of admission. The coloured set must be worn along with white socks and black shoes on all days from Monday to Thursday. The white sports uniform should be worn every Friday along with white socks and white sports shoes. **Identity card with required details must be worn by the child every day.**

How to pack the bag

Your child should carry the bag provided by the ELC or a medium sized bag with two compartments. A medium sized snack box, a spill proof water bottle, fork or spoon and a small napkin or wet wipes should be packed in one compartment. An extra pair of clothes should be packed in the second compartment of the bag. **Trolley bags are not allowed.** If the child is not yet toilet trained, extra diapers with clean underclothes also need to be packed. **All items need to be labeled with the child's name. Bus Tag provided by the nursery will be attached to the bag.**

Items of Value

Your child **should not come** to the Centre with valuable items such as gold chains, bracelets, watches, etc. **We will not take responsibility for any damage or loss of such items.**

Toys from home

Please do not allow your child to bring toys and games from home to the Centre unless otherwise specified by the class teacher. Staff will not be held responsible for lost items. Should an item of clothing or food container go missing during the day, staff will do all they can to locate it.

Birthday Celebrations

Parents are welcome to send small individually wrapped treats to school to celebrate their child's birthday.

Birthday cakes/Chocolates are not allowed.

We suggest you to send non edible items such as stickers, stationery items, books etc.

Invitations and Gifts

The Center staff will not be responsible for distributing the birthday party invitations to the parents.

Birthday gifts will be sent home through the child's bag at the end of the day.

Toilet Independence

At the centre, we have scheduled trips to go to the toilet twice a day. It is the responsibility of the parents to keep the staff informed about their child's stage of toilet independence and to share the home toilet routine with our early year practitioners.

For those children who are moving from using nappies to underwear, parents and staff must work together to follow the same routines to maintain a smooth transition.

For homeward bound children travelling on the bus who are undergoing toilet independence, a nappy or pull up will be placed on them before they board the bus.

Healthy Food and Nutrition

We operate a healthy eating policy.

Food and nutrition are an integral part and we believe that it is important for children to have balanced meals and snacks as this impacts their learning and behaviour. Children who do not receive sufficient calories, vitamins and minerals will not reach their expected growth and their cognitive development may be impaired. Please ensure that a portion of fruit is added to their snack daily.

Snacks and lunches should not contain chocolate, fizzy drinks and foods that are high in fat and sugar.

Settling in

It is important that your child attends school regularly and arrives promptly each day. This is to give them plenty of time each morning to settle in and regularity ensures smooth integration into the routine. During the initial days and weeks of your child's time with us it may be difficult for your child to settle in and there could be some separation anxiety. This often lasts for just a few days but can also last for extended periods of time depending on the individual child. It is important that parents and teachers work together to settle each child into the regular drop off routine. We ask all parents to tell their child and assure them that they will have fun at school. Remember when a parent is anxious it can often transfer to the child.

It really helps when parents are positive about the ELC and manage to hide any emotions that would suggest that they are upset by the separation. Our team of early years practitioners have settled many children in the

past and are always on hand to help make the process as smooth a transition as possible. We ensure that your child will look forward to their learning experience thus indicating a sense of eagerness to attend school daily.

Drop Off and Pick Up

Procedures

- Upon arrival, the child must be handed over to a lady of staff at the gate who will escort the child into the classroom.
- Parent/Guardian must sign the register after the child is dropped off and before leaving the ELC.
- Parent/Guardian will be asked to wait until the children are ready in their designated area for pick up. After picking up your ward and before leaving the ELC, parent/guardian must sign out in the register. Authorization is required in writing or via an email to the official email id, when anyone other than the parent or other designated adult arrives to collect the child. The parent must notify the registrar and the child's teacher. **The person collecting the child should show their Emirates ID and sign the register with their name and telephone number.**

Extended Day Options

The opening hours of the ELC are **8:00 am. – 12:00 noon**. Extended day options/hourly pick-up options are also available from **12:00 noon – 6:00 pm**.

The extended day options can be selected at the time of registration or monthly as and when required. Corresponding fees are scheduled in the fees and payments.

Please collect your child on time. Late pick-ups affect staff time. In exceptional cases as a courtesy, **please call us if you are running late**. If we are not notified about late pick-ups in advance, the parent will be charged the published charge for the late pick-up. **For every 30 minutes (or part thereof) a charge will be applied. Please contact the office for extended day fees.**

If we have not heard from you by your respective pick-up time and you are not at the site, we will call emergency numbers provided by you. If we cannot reach you or any of your emergency contacts, we will contact the authorities, police and child protective agencies.

Parents as Partners

EYEG offers NDN Early Learning Centre in which families

- Are listened to and consulted with
- Can access advice and support from early years practitioners.
- Receive up to date information on the child.
- Are welcome to support their child's learning.

There are many opportunities for parents to get involved in volunteer activities and events in a creative and interactive session with the children under the **Parent Involvement Programme**. Events such as interactive mornings, educational and well-being workshops and Parent Teacher meetings to have a stronger communication and partnership with the wider parent community.

Launching the **Parent Kit** a collaborative initiative where the parents and the Early Learning Center come together to share expertise and support the holistic development of every child, bringing **Unique Parenting Experience** as value added services to enhance an individual parent-child journey.

Positive Behaviour

Managing Behaviour

In all cases praise and encouragement is used to reward good behaviour such as kindness, willingness to share and taking turns. Ground rules and group rules are formed together with our children and may include:

- Being gentle
- Being caring
- Being kind and helpful
- Being honest
- Listening to people
- Working hard
- Looking after property

Children are encouraged to develop awareness of safety by walking indoors, moving up and down the stairs in a sensible controlled manner.

Staff acting as role models teach courtesy, care, good manners, and friendliness.

Children learn to respect property when encouraged to take care of books, toys, games and help to tidy resources away.

The teacher uses positive methods of discipline that encourages self-esteem, self-control and self-direction by:

- Using encouragement for appropriate behaviour
- Reminding a child of expectations
- Redirecting negative behaviour into more acceptable choice

Our centre uses positive discipline and guidance techniques that ensure the development of a safe environment for the children, allowing our children the opportunity to solve their problems and develop the social skills necessary in a group setting.

If an extreme behavioural issue needs additional attention (e.g. biting, hitting, defiance etc) the parents and the child's teacher will work together to create a behavioural plan.

If the behaviour continues after this plan is initiated, the Centre Head will work with the parents and the teacher to solve the behavioural issue. When the behavioural issue affects the safety of others and no improvement has been seen with the behavioural plans of the child will be withdrawn from the ELC at the decision of the Centre Head or Executive Director.

Our Team

Our team consists of Teachers, Teaching Assistants, Nurse, Babysitters and Nannies. They are managed by trained supervisors and experienced Centre Head.

The teaching staff is supported by a range of administrative personnel, including our registrar, your first point of contact in our Centre our Receptionist, Accounts in Charge and Administrative Manager.

The senior leadership team provides academic and creative expertise to the staff and lends support in organizing special events and staff training.

Training is imparted to the staff of the ELC periodically through the Senior Leadership Team, as well as by external professionals.

All our staff have been trained recently in Pediatric and First Aid, Health and Safety and Fire and Emergency Procedures. The training is ongoing.

At our Centre we are constantly striving to give the children new experiences. Our wish for each child is that they succeed in whatever they do, and they enjoy each day to the fullest.

We always look forward to your suggestions, participation and continued support in all our endeavors to make Early Years a memorable and enjoyable experience for your ward.
